Development shall be a tract of land at least 4 acres in area, under single, corporation, firm, partnership or association ownership, planned and developed as an integrated unit, in a single development operation or a programmed series of development operations and according to an approved Preliminary Site Plan.
- g. Preliminary Site Plan Required - The "PUD" District shall be established only upon application, after public hearing as specified in the amendatory procedures of this ordinance and shall require an approved Preliminary Site Plan which when reclassification is granted will govern the development of the land and all development plans thereof.

- h. Minimum District Area - The minimum area for a "PUD" District shall be 4 acres.
- i. Permitted Uses - A list of permitted uses within each Planned Unit Development must be submitted with the application for establishment of the District and the preliminary site plan and must be approved by the Land Development Commission and Governing Authority upon application by the owner of the property.
- j. Procedures – An application for reclassification to "PUD" District shall be accompanied by a Preliminary Site Plan and text presenting the following information:
  - i. Proposed land uses and population densities
  - ii. Proposed primary circulation pattern
  - iii. Proposed parks and playgrounds
  - iv. Delineation of the units or phases to be constructed together with a proposed timetable
  - v. Proposed means of dedication of common open space areas and organizational arrangements for the ownership, maintenance and preservation of common open space.
  - vi. Relation to the County General Development Plan, land uses in the surrounding area and to the general plan of the PUD.

Reclassification procedures shall be in accordance with the procedures set forth in this Ordinance. Following the initial reclassification procedure, the proposed development shall follow all applicable procedures and requirements governing the subdivision of land. No permit shall be issued until a final plat of the proposed development, or portion thereof, is approved, filed and recorded. No building designed or intended to be used, in whole or in part, for commercial purposes shall be constructed prior to the construction of less than 25% of the dwelling units proposed in the plan, or construction of 100 dwelling units, whichever is smaller. If construction of the "PUD" District is not started within two years of the date of approval, the Board of Supervisors may consider reclassifying the site to its previous classification.

The applicant, by showing good cause why he cannot adhere to the proposed timetable described in e (4), may seek an extension of not more than one (1) year at a time. A request for extension shall be submitted in writing to the Planning Commission.

- k. Review Standards: The site plan must provide for and conform entirely to the following standards and requirements:
  - i. In order to encourage ingenuity, imagination, and high quality design, regulations on residential areas will not specify minimum lot area per dwelling unit but will limit density in residential areas to 5 families per acre in single family dwellings or 20 families per acre in multifamily dwellings. This will allow clustering of dwellings to provide maximum open space.
  - ii. Street widths and improvements, thereof, as well as off street parking facilities must conform to county standards or in lieu of such standards, to requirements established by the Governing Authority
  - iii. Provisions for water supply, sanitary sewers, storm water drainage, and connections shall be made to the satisfaction and requirements of the Governing Authority and the appropriate State authority.
  - iv. All improvements are to be installed and maintained by the developer unless other arrangements approved by the Governing Authority are made.
  - v. The Governing Authority may require other special improvements as they are required if they are deemed reasonable and essential, and may require that appropriate deed restrictions be filed, enforceable by the Governing Authority for 20 years.
  - vi. A minimum total area of 10% of the gross residential area shall be set aside as open space, parks and playgrounds. Of this 10%, a maximum of one half may be covered with water. A maximum of 5% of the area designated to be parks and playgrounds may be covered with structures to be used in the recreational use of the area. Parks and playgrounds must be suitably improved for its intended use but parks and playgrounds

- vii. containing natural features clearly worthy of preservation may be left unimproved. The developer shall also submit sketches of the plat-for the entire project showing the relationship of uses, street patterns, open space and the general character of the proposed development, including a schematic drawing illustrating a typical segment of the development

1. Flood Plain District

The purpose of this district is to permit certain non-intensive uses in areas which are subject to periodic flooding and to protect such areas from other types of development except where adequate assurance is given that the development will be protected from flooding. The Panola County Flood Plain Management Prevention Ordinance shall apply to the properties located in this district. The regulations hereinafter set forth in this section shall apply to the properties located in the district. The District boundaries will be delineated by the Administrator of the Federal Flood Insurance Program of the Flood Hazard Boundary Map along with water surface elevations for the 100 year flood which will be used to determine to what level structures will be elevated or flood proofed. The Flood Control District shall overlay other districts on land located in the flood plains as shown on the Land Use District Map which is a part of this ordinance. Such regulations qualify or supplement, as the case may be, the regulations of each and every Land Use District herein established.

Accessory structures within twenty-five (25) feet of the rear lot lines of a corner lot shall be set back the minimum front yard depth required on the side street.
  - e. Fumes, Dust, Fire and Explosion Hazard or Nuisance - The Board of Land Use District Adjustment may require the conduct of any use conforming or nonconforming, which results in unreasonable noise, smoke, gas, vibration, fumes, dust, fire, or explosion hazard or nuisance to surrounding property to be modified or changed to abate such hazard to health, comfort, and convenience. The Board of Land Use District Adjustment may direct the Administrator to issue an abatement order, but such order may be directed only after a public hearing by the said Board, notice of which shall be sent by registered mail to the owners and/or operators of the property on which the use is conducted in addition to due notice of advertisement in a newspaper of general circulation. A hearing to consider issuance of an abatement order shall be held by the Board of Land Use District Adjustment either upon petition signed by any person affected by the hazard or nuisance or upon the initiative of the Board. An abatement order shall be directed by the Board of Land Use District Adjustment only upon reasonable evidence of hazard or nuisance and such order shall specify the date by which the hazard or nuisance shall be abated.

- f. Land to be Used Only for Stated Purpose- No land shall be used except for a purpose permitted in the district in which it is located.
- g. Moving of Structures- No structure shall be erected, converted, enlarged, moved or structurally altered, nor shall any structure be used, except for a use permitted in the district in which it is located.
- h. Open Space- No open space or lot area required for a building or structure shall during its life be occupied or counted as open space for any other building or structure. No dwelling unit shall be erected on a lot which does not abut or have access to at least one road or street. Where the dedicated road or street right-of-way is less than 50 feet, or where the right-of-way cannot be determined the depth of the front yard shall be measured starting at a point 25 feet from the center line of the street easement or apparent easement.
- i. Lots of Record- Where the owner of a lot of official record at the time of adoption of this resolution does not own sufficient adjacent land to enable him to conform to the yard and other requirements of this resolution, one building and its accessory structures may be built, provided the yard space and other requirements conform as closely as possible in the opinion of the Board of Land Use District Adjustment to the land use regulations contained in Article IV.
- j. Signs and Outdoor Advertisements- In the areas other than residential developments where front yard or setback requirements are required, outdoor advertising structures may be placed within such front yard or setback areas of a place of business subject to the following terms and conditions:
  - i. Said structure must be used primarily for the purpose of identifying the place of business at that location.
  - ii. No such structure shall be placed between four feet and ten feet above street level.
  - iii. No such structure shall be placed at intersections, driveways, or locations which would obstruct the view of intersecting traffic.
  - iv. No such structure exceeding in size fifty (50) square feet, exclusive of necessary structural support, shall be placed within ten (10) feet of the front lot line or street right-of-way.
  - v. Billboards and outdoor advertising adjacent to primary highway system shall be subject to the applicable provisions of the Mississippi Code of 1972, as amended and recompiled.
- k. Location of Utilities- Any use or facility necessary for the operation of any political subdivision of local, state, or federal government, including public and private utilities, shall be permitted in all Land Use districts. Electrical transformer stations, gas regulation systems, sewage and water treatment plants, pumping station, standpipes for public water supply, water and storm drainage systems, sewerage systems, electrical power lines, gas pipe lines, and similar uses may be located in any zone, providing however, that the location of such facility shall be subject to review by the Board of Supervisors and the Land Development Commission.
- l. Public Facility and Uses- All public buildings and uses may be located in any zone provided; however, the location of such buildings and uses shall be subject to review by the Land Development Commission as a special exception.
- m. Structures to have Access- Every Building hereafter erected or moved shall be on a lot adjacent to a public street or with access to an approved private street, and all structures shall be so located on lots as to provide safe and convenient access for servicing, fire protection, and required off-street parking.
- n. Disable Vehicles- No more than seven disable automotive vehicles may be stored on any parcel unless in a completely enclosed building. A disabled vehicle is one without a current license plate or in normal operating condition. Of these seven, no more than three may be viewed from the public right of way and must be undergoing active repair. Remaining vehicles shall be stored in rear yards and obscured from public view by landscaping or fencing.
- o. Exception of Height Limitations- The height limitations contained in the Schedule for District Regulations do not apply to spires, belfries, cupolas, antennas, water tanks, ventilators, chimneys, silos, grain elevators, or other appurtenances usually required to be placed above the roof level and not intended for human occupancy.

- p. Connection to Public Utilities- No utilities shall make any permanent or temporary connections to any structure in Panola County, unless the person requesting the connection has a permit issued by Panola County and Individual On-Site Wastewater Disposal System approved by the Panola County Wastewater Specialist (if needed) to the structure being served with said utilities.
- q. Fences Along County Roads- No fence may be constructed along any country road unless said fence is set back at least twenty-five (25) feet from the center line of said road or to the road right-of-way which is greater.
- r. Utility Connections shall be Reported to the Tax Assessor- All utility companies shall notify the Tax Assessor and the Land Use Administrator of each and every utility connection they make in Panola County.
- s. Signs in All Districts- The following signs shall be permitted and sign regulations shall apply in all districts:
  - i. Directional signs not exceeding two (2) square feet may be erected provided they are not within the right-of-way of any street.
  - ii. Bulletin boards not over twelve (12) square feet in area for public, charitable, or religious institutions shall be allowed when located on the premises of said institution.
  - iii. Temporary signs advertising property for sale, rent, lease or trade provided such signs shall not be wider than three (3) feet.
  - iv. Signs not over twelve (12) square feet in area denoting architect, contractor, or engineer shall be allowed when placed upon construction sites during actual construction.
  - v. Signs of public service companies indicating danger and aids to service or safety.
  - vi. No signs or other outdoor advertising device shall be erected or maintained which constitutes a nuisance by reason of light, glare, animation or flashing in any Land Use District.
- t. Underpinning of Manufactured Homes- All manufactured homes shall be underpinned in an attractive and workmanlike manner.
- u. Sale of Existing Home and Manufactured Home- It shall be the responsibility of the seller to furnish the purchaser, at the time of closing a Certificate of approval of the Septic System from the Panola County Wastewater Specialist.

## 5. ARTICLE V – ADMINISTRATION AND ENFORCEMENT

- a. Enforcement Officer – The provisions of this ordinance shall be administered and enforced by an Administrative Official appointed by the Board of Supervisors. This official shall have the right to enter upon any premises at any reasonable time prior to the issuance of a building permit for the purpose of making inspection of buildings or premises necessary in carrying out his duties in the enforcement of this ordinance.
- b. Building Permits – It shall be unlawful to commence the excavation for or the construction of any building for the purposes stated herein, until the Administrative Official has issued for such work a building permit including a statement that the plans, specifications and intended use of such structure in all respects conform with the provisions of this ordinance. Application for a building permit shall be made to the Administrative Official on forms provided for that purpose. Any building permit issued shall become invalid unless the work authorized by it shall have been commenced within six (6) months of its date of issue, or if the work authorized by it is suspended or abandoned for a period of one (1) year. However, in accordance with Mississippi Code Section 19-5-9 the erection, maintenance, repair, or extension of farm buildings or structures shall be exempt from the provisions of this ordinance unless restroom facilities are included in construction.
- c. Approval of Plans – The Administrative Official may require every applicant for a building permit to furnish a plot plan showing the following information:
  - i. The actual shape, proportion and dimensions of the lot to be built upon.
  - ii. The shape, size and location of all buildings or other structures to be erected, altered or moved or any buildings or other structures already on the lot, and the arrangement and number of parking stalls, ingress – egress drives and off-street loading facilities.
  - iii. The existing and intended use of all buildings or other structures.
  - iv. The setback and side lines of buildings on adjoining lots and such other information concerning the lot or adjoining lots as may be essential for determining whether the provisions of this ordinance are being observed.
- d. Amendments
  - i. The supervisors may from time to time, on their own motion or on petition by the owner or agent of a property owner, after public notice and hearing, amend, supplement, change, modify or repeal the boundaries or regulations herein or subsequently established.
  - ii. At least fifteen (15) days notice of the time and place of public hearing on such amendment shall be published in an official paper of general circulation in Panola County. Any party or parties wishing to protest an amendment shall file a written request with the Land Development Commission at least five (5) days before the public hearing on the proposed amendment. In case of a protest against a proposed amendment signed by the owners of twenty (20) percent or more of the area of the lots included in the proposed change, or those immediately adjacent in the rear thereof or those directly opposite thereto; such amendment shall not become effective except by the favorable vote of two-thirds of all the members of the Board of Supervisors.
  - iii. District Reclassification hearings—Notice shall be provided to the general public by posting a sign on the subject site 15 days prior to the first public hearing. The applicant shall maintain the sign until a final decision is rendered by the Panola County Board of Supervisors. Signs shall be a minimum of 4' by 8' constructed of laminated plywood or MDO board. The front, back, and edges shall be painted with two coats of red acrylic exterior enamel. White lettering shall be used in the following manner:

- iv. Special Exception and Variance hearings—Notice shall be provided to the general public by

posting a sign on the subject site 15 days prior to the first public hearing. The applicant shall maintain the sign until a final decision is rendered by the Panola County Land Commission. The exact sign necessary to be posted on the subject site shall be determined and provided by the Panola County Land Development Office.

E. Land Development Commission

- I. The Land Development Commission shall meet the call of the Chairman at such times as are necessary to act upon any matters to come before them.
- II. The Land Development Commission shall adopt and publish its own rules of procedure and keep minutes of its proceedings, showing the vote of each member upon each question, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the Office of the Chancery Clerk and shall be a public record.
- III. Appeals- An appeal may be taken to the Land Development Commission by any person aggrieved, or by an official of the county affected by any decision of the Administrative Official. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the Land Development Commission a notice of appeal specifying the grounds thereof. The Administrative Official shall transmit forthwith to the Land Development Commission all papers constituting the record upon which the action appealed was taken.
- IV. Hearing-The Land Development Commission shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent, or by attorney.
- V. Powers of Land Development Commission- The Land Development Commission shall have the following powers and duties:
  - (1) To hear and decide where it is alleged that the error in any order, requirement, decision, or determination made by the Administrative Official in the enforcement of this ordinance or of any ordinance adopted pursuant thereto.
  - (2) To hear and decide special exceptions to the terms of this ordinance upon which such board is required to pass. In hearing such applications the Commission shall investigate all aspects of the application giving particular regard as to whether such building or use will:
    - A. Substantially increase traffic hazards or congestion
    - B. Substantially increase fire hazards
    - C. Adversely affect the character of the neighborhood
    - D. Adversely affect the general welfare of the county
    - E. Overtax public utilities or facilities
    - F. Be in conflict with the goals of Progress Panola General Development Plan
  - (3) To authorize upon appeal in specific cases such variance from the terms of this ordinance as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done. In hearing such application the applicant shall demonstrate the following:
    - A. That special circumstances exist that are peculiar to the land structure or building involved which are not applicable to other lands.
    - B. That the literal interpretation of the provisions of this ordinance will deprive the application of rights commonly enjoyed by other properties in the same district.

- C. That the special conditions and circumstances do not result from the actions of the applicant.
  - D. And that the granting of the variance will not confer on special privileges on the applicant.
- VI. In exercising the above mentioned powers, the Land Development Commission may, in conformance with the provisions of this article, reverse, or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from and may take such order, requirement, determination, as ought to be made, and to that end, shall have all powers of the officer from whom the appeal is taken.
- F. Appeals to the Board of Supervisors- Any party aggrieved by any final action, decision, ruling, judgment, or order of the Land Development Commission may appeal to the Panola County Board of Supervisors within ten calendar days of such decision. Such appeal shall be made in writing and submitted to the Land Development Commission Coordinator by 5:00 p.m. on the tenth (10<sup>th</sup>) day from the date of the decision being appealed from. The date the decision was rendered shall not count in the ten (10) day calculation. The Land Development Commission Coordinator shall notify the Panola County Board of Supervisors on such appeal and the appeal shall be scheduled for hearing at the regular monthly meeting of the Board of Supervisors, which occurs on the second Monday of each month, following the filing of the appeal within the time as provided herein.
  - G. Fees to be Established- The Board of Supervisors shall establish a schedule of fees for building permits and any other expenses of administering and enforcing this ordinance.
  - H. Penalties- Any person, Firm entity or corporation who violates any of the terms of provision of this Ordinance shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than one hundred dollars (\$100.00). Each violation and each day of failure to comply with the provisions of these Ordinances shall constitute a separate violation.
